### Who should get involved?

Urbanists, civic hackers, government staff, developers, designers, community organizers, and anyone with the passion to make their city better.

### What is Code Across?

It's day of civic events, where technologists and community partners will connect to tackle local challenges - by adapting existing solutions and building new ones.

### @ Slover Library

235 East Plume St.  
Norfolk, VA 23510
